■ Mission Moment

Guilford County schools began classes this week and many charter and private schools are also in full session. The prayers of the Trinity Church family join with others for our students, teachers, and families. There are many ways to engage and volunteer in each of these school settings. One way our mission program connects with the middle and high schools of Guilford County is through the ministry of Youth for Christ. Jamon Wilson of YFC's "City Life" outreach writes:

"A labor of love is what I would call this year's camp theme. With great leaders on hand we prayed before we left, hoping that lives would change. "We are here!" one student screamed with excitement as the bus pulled up to the chapel. With sixty students and four days, greatness was going to happen at this camp..."

'A summer without camp is a summer without Jesus.' These words were spoken by a middle school student that accepted Christ at our City Life Middle School Camp. He was one of the 11 students who gave their lives to Christ...From the beginning to the end of camp, I believe the kids experienced Jesus in a mighty way.

I can't believe that another season of camp has ended, and a season of school will be back ins session...Please pray for the youth that we will encounter this school year. We are seeking a new place to connect with the kids, and sharing the truth of God's word."

Thank you Trinity Church for being a part of what God is doing in the lives of students through support of our mission outreach.

COME AWAY TO A
quiet place
AND
rest awhile.
