

People come to church to be “fed”, to have their needs met through the Word of God and it’s outreach. As a Missional church we don’t just “go to church” - “we ARE the church”. Our outreach starts right thru our church doors to the local community with our food pantry.

### What is our Matthew 25:40 Mission?

- *We are a ministry helping local people in need.*

### What do we do?

- *Supply a local food pantry in our church.*
- *Provide a short fellowship of the Word of God to those that come in.*

### How can you help?

- *Bring in food items - drop off your items in the kitchen outside the sanctuary/Narthex.*
- *Donate funds – if you don't want to shop, we will shop for your food items for you.*
- *Participate! Have a few minutes? Pack a bag of items – we would appreciate your time!*

**Items needed for our food pantry outreach are distributed directly into the hands of someone in need. Many of those in need in/around our area have no way to get to Urban Ministry for assistance and our pantry will be a blessing to them. So, help feed the hungry when you shop:**
